Professional Attire/Uniform Requirements

The goal of Adams County Tech Prep is to prepare students for entry into an industry; this includes an expectation of professional behavior and appearance as well as an academic education. The ACTP faculty works closely with local leaders in the industry in order to maintain current standards. In accordance with this goal, it is required that all students maintain their personal appearance to the standards expected in the workforce.

The professional attire at ACTP has been designed to be both comfortable and practical. Students are responsible for laundering and care of their personal professional attire. Uniforms should be clean for the start of each class.

Allied Health Uniforms (Costs will vary depending on place of purchase)

- ❖ Top-Ceil blue scrub top
- ❖ Pants-Ceil blue scrub pants
- ❖ Shoes-White shoes (may be Crocs, nursing shoes or white leather sneakers)
- ❖ Scrub Jacket-White if needed

Additional Appearance Requirements
