Science HW due tomorrow (Friday) Detail: Students need to complete the Swinger Picture Graph found in their Variables Journal. They need to draw a paperclip at the data line (for example the first would be at the 200cm mark), and they need to use a ruler to draw a straight line up to number 6. They also need to outline in marker or colored pencil.	MRS. Deaner	Class (Science 6 / 204 Prd 4)
