

Google Accounts for Students

This year all teachers and students will have Google accounts. Your accounts will have the following address:

username@gasd-pa.org

You should replace username with the same username that you use to login to your computer. The password is also the same password as you use to login to the computer. **Just a reminder for High School Students that when you are asked to change your computer password every 90 days, this will also change your Google password.**

To login to your google account, click on the Sign In button in the upper right hand corner of the Google Website:

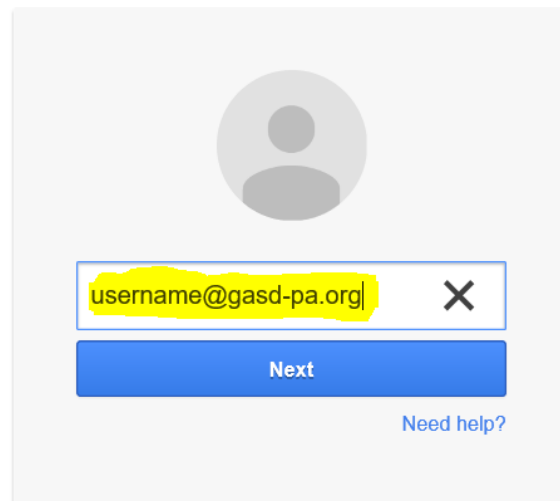

Gmail Images  **Sign in**

Enter your username in the field highlighted in yellow below and hit next:

One account. All of Google.

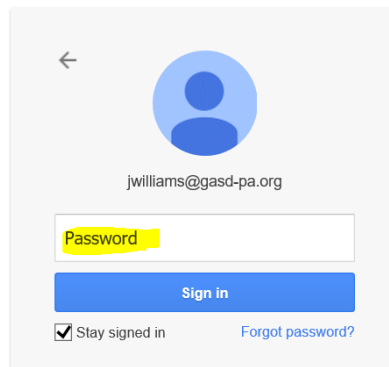

Sign in with your Google Account

The image shows a Google sign-in interface. At the top is a grey circle representing a profile picture. Below it is a text input field containing the email address 'username@gasd-pa.org', which is highlighted in yellow. To the right of the input field is a small 'X' icon. Below the input field is a blue button labeled 'Next'. At the bottom right of the sign-in area is a link that says 'Need help?'.

One account. All of Google.

Sign in with your Google Account

A screenshot of a Google sign-in form. At the top left is a back arrow. In the center is a blue circular profile picture icon. Below the icon is the email address "jwilliams@gasd-pa.org". Underneath the email is a text input field with the word "Password" written in yellow. Below the input field is a blue "Sign in" button. At the bottom left is a checked checkbox labeled "Stay signed in". At the bottom right is a blue link labeled "Forgot password?".

Enter your network password in the field highlighted in yellow above. If you have any problem accessing your account, please let your teacher know and they will contact the Technology Department.
